

# CARRYING THE FIRE

We thank you for your prayers and support as we cannot do the work without you. God is still moving in the World even though there are many problems from lack of money to hungry people and killings and loneliness. God has called us to be that beacon of light to the lost souls. Mark 16: 14-18 The Great Commission.

We have a new project this coming New Year to buy land to expand the youth camp and build a ministry building. The cost for this is \$5000.00. In addition to the building project we believe that with God's help we will have crusades in Cd Victoria including youth crusades.

In Cd Mante, with the help of Betty's dad's church we were able to do an outreach on Halloween. The youth put on a puppet show. A lot of kids that came to church were not born again. That night they got to hear that Jesus died for them and souls were saved. We are planning for outreaches for 2015 in Cd Mante, Cd Victoria and deep in the mountains.

As I was praying outside this morning I was eager to see the stars in the sky. The only thing I could see were clouds and 1 or 2 stars but, I was still eager to see the morning stars as I was praying. I heard God saying stay the course even when there is a smoke screen in between you and God. We all need to understand this is a race we have only so many years here in the world. How many people have we witnessed to in our life time, is it 1 or 100,000's, don't let anything hold you back for going after God with everything you've got.

From December 20th to January 20th we will be in Mexico having outreaches and giving Christmas presents to the less fortunate. I can't wait to see the smile on their faces and joy in their hearts.
