

CARRYING THE FIRE

Thank you for all who are giving to the ministry. You are putting your seed in good ground. God is so awesome. I believe this year is going to be different than any other year. God is getting his church ready, for we are living in the last days. After seeing Matt. 24: 29 on April 15 with a Blood Moon I felt a change in the atmosphere. I heard the Holy Spirit say to me, "tell my children to plead the Blood of Jesus over your doors and windows. To keep the death spirit away from their family Ex. 12: 7; and they shall take of the blood and strike it on the two side posts and on the upper door post of the houses."

I believe we have only scratched the surface for souls here in Mexico. Those that have attended the Catholic Church are looking for a real experience with Jesus. There are false Christian churches that ask for money for salvation, healing and more. He is real in my soul so when people look at me they will see Jesus in my eyes. We need to keep it real with God and not stray to the left. As we keep Jesus first in everything in our lives, then the Holy Spirit will lead us to safety away from the trap of Satan.

We heard about a church in the mountains that had no members. So I had an urgency to find out what happened. As it turns out they had problems with the cartel. It is an Assemblies of God church that only has 7 members all of which are one family. The town has about 75 people. This is a new mission for us to reach more souls and to reach further in the mountains. We are making plans to go back for a 3 day crusade and I am excited how God is enlarging our territory.

Mothers Day in the Mountain. We were glad to bless the Mothers in the mountains with presents and a meal. These are beautiful people and we love them very much.

Working with the children at an outreach, we taught them about Jonah and the whale.

I am excited about how God put Rick Caywood Ministries with us to reach more souls for Jesus. It was a divine connection from God not man, God gets all the Praise. We are able to give away 3lbs of black beans to each family that comes to the service to hear a message of how Jesus died for them. We also are able to have services at which we feed the people at no cost to them. We are showing the love of God to people that are barely making ends meet. Praise God we have seen in the last week 4 Salvations and 3 healed. Praise God.

We fed 45 people one night and the service was awesome. This service was threatened by a rain storm that moved in just as the service time arrived. We begin to pray and take authority over the wind and rain. Then the wind stop blowing and the rain started after the service. Praise God for his authority that he gave to his people. Praise God!!!!

We still need your prays we are planning to leave Mexico for about 2 -4 months. We will be visiting churches while we are in the United States. We want to be a blessing and give an opportunity for you to become supporters to help us reach the lost souls. With God's help we would like to buy 6 areas for expanding the youth camp and for a ministries building. The cost for the land is \$2500 and another \$2500 is needed to finish the ministries building. Please pray about it. If you are able to help you will be a great blessing. With this land we can add an aquaponics area to feed a community, along with a dorm and a place to have a Carrying the Fire Ministry building.

Eph 6:18 *Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;*

Eph 6:19 *And for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel,*

Eph 6:20 *For which I am an ambassador in bonds: that therein I may speak boldly, as I ought to speak.*

God Bless You! Brother Nate & Betty Sanford
