

Happy New Year!

There is something exhilarating about a fresh start. We are believing for amazing growth to take place within this ministry this year and we are choosing to speak in faith and expect God to answer our prayers according to His will. We often allow ourselves to focus on the lack or the slow timing and frustrations in not being able to get things accomplished. This year we will trust and walk in faith and continuously claim God's word and promises over this ministry.

PRAISE REPORT:

*The kid's at the Children's Home were able to have a wonderful Christmas party and New Year's party this year. Thank you to everyone who gave to make this Christmas special for them. They want you to know that they are very thankful for each of you.

*All of the money has come in for the well. The drilling has begun! As long as they do not have to go more than 100 metres deep, we will be able to have the well dug and completed within the next few weeks! There are no words to express the gratitude we have for every one of you who gave towards this project. This will immensely bless this entire community and prayerfully grow the church.

*We recently received a large donation to put towards the completion of the church and preschool in Bulandzeni. We are trusting that this entire project will be completed by the time we arrive on the ground in March.

UPCOMING NEWS:

Our plan is to be back on the ground the third week of March. We will be visiting the community of Bulandzeni to prayerfully see the completion of the church and preschool as well as inspect and get testimonies of the impact of the well and the provision of water. We are extremely excited to travel back "home" with our friends and "family". We will be meeting with our pastors and checking up on all of the projects. We are also looking to see what opportunities that God has for the ministry this upcoming year. We will need \$3800 for our flights and are believing God to provide so that we can book them soon.

Again, we can't say it enough...we are grateful for each of you-for your prayers and your support. Thank you for impacting the kingdom and allowing God to use you to bless this ministry that He has entrusted us with!

You can visit our blog e127.org for updates and giving information. Please prayerfully consider becoming a supporter of this ministry. Every month, every dollar that is donated is designated to all of the many needs of the orphan home, providing food for the feeding site, caring for our pastors and staff, as well as continuing the completion of the building projects that we are currently working on (the church of Bulandzeni, Pastor Margaret's church, orphan home expansion, & the well). Each month we fall short of meeting the basic ministry budget, but will continue to trust God to provide.

In His Service,

Chad, Wendy, Brielle & Caden Owens
